HONOR ROLL ASSEMBLY

By Rebecca Bohigas

The MGA honor roll assembly for the second quarter will take place the first week of February. All the students that earned only A's or B's in all subjects for the nine weeks will be invited to the honor roll assembly. Those students will receive a certificate and free breakfast.

"The honor roll as-

sembly is an opportunity to congratulate the children that exceeded and let them know that others have noticed how great they are doing," said Mrs. Gomez, the school's Test Chair and Librarian who is in charge of organizing the assembly.

The assembly will be held on February 2nd at 9:00am in the cafeteria. Those students who make the honor roll and their parents will be invited.

GIFT IDEAS FOR THE HOLIDAY SEASON

by Gabriella Hernandez

The holiday season is around the corner and you know what that means? Presents! Have no ideas what to get for your mom, aunt or cousin? We can help!

Younger generations, such as toddlers to age 10

You can never go wrong with modern toy name brands. Lego, Barbie, Fisherprice and Nintendo are good brands to keep in

mind.

“Tweens” & Teens

Teenagers are always tapped into the latest in technology. Such as, Xbox, Kinect, Wii and much more. However, not all kids are into technology, so clothes or music will be equally enjoyed. I suggest a CD or iTunes gift card.

Adults

Adults would love anything bought from a specific store that you know they like, such as Barnes & Noble or Bath & Body

Works. You could even get them a gift card to a restaurant or to the movie theater.

Senior Citizens

Grandparents will love and cherish that which comes from the heart. So keep it thoughtful (and maybe handmade).

CHINESE NEW YEAR

By Angelo Molina-Castro

The Chinese New Year is on February 3, 2011. This year is the year of the rabbit. Last year was the year of the tiger and the Chinese say that they need

to heal themselves of the battle that happened in the year of the tiger. They say that if you are born in the year of the rabbit you will have longevity. Longevity is the ability to live longer. If you are born in the year of the rabbit it is said that you

harvest your power from the moon.

NOVEMBER STUDENTS OF THE MONTH

by Luis Duran

The Mater Gardens students of the month have been selected for November. The Student of the Month program recognizes the actions and efforts of individuals. Classroom teachers can nominate one child per month. In order to be student of the month you must have great academic performances, you must put in effort, you must have good character, you must behave, you need to poses social relationships, you need to complete all home work assignments, have perfect attendance, and last but not least you must follow the uni-form policy. Congratulations to:
